Mayor Putman called the hearing to order at 6:45pm.  
The pledge of allegiance was recited.

Mayor Putman addressed the public and read through the proposed amendments to the Village Code Chapter 168 – Parking. Attorney Peterson noted that my making the minor adjustments to the local law, the Village will be able erect parking signs where applicable. Parking Enforcement Officer, Bob Claydon, asked if he is authorized to write tickets on Route 9. Mayor Putman stated he has made the sheriff aware of the parking problems on Route 9 and has asked DOT to put up some no parking signs and enforce them. Discussion ensued among the trustees and it was made clear that there would no longer be a need for specific resolutions for on-street parking after this local law is passed. Mayor Putman noted that Mr. Claydon has not been enforcing on-street parking in Griffin’s Ridge because of the ongoing construction. Now we have the winter to discuss the specifics with the residents there.
